MYRILIA
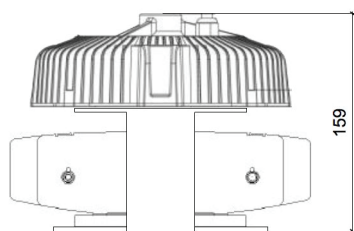

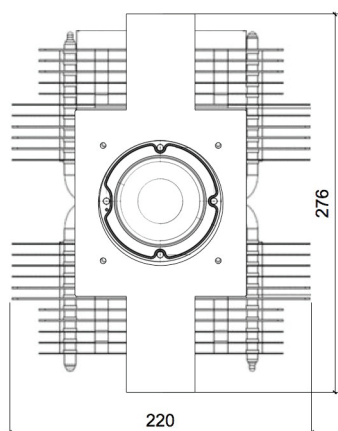

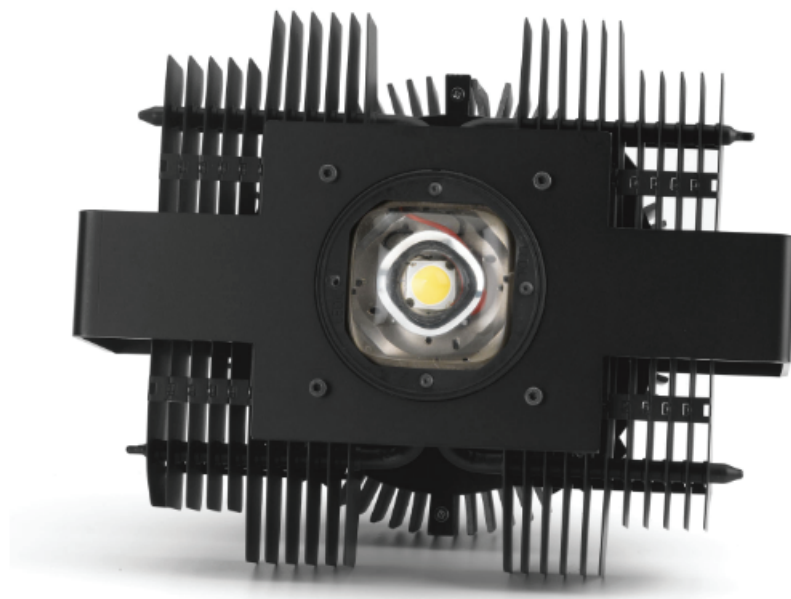

Radius is a lighting fixture to use in big spaces indoor and outdoor.
The cooling system produced by a COB LED is managed by heat pipe model, which makes the structure smaller and the system more efficient.

RADIUS

276

220

159

Mechanical features

Body: anodized or painted
Color: white, black
Cooling: heat pipe
Front: silicone
Dimensions: 276x220x159 mm
Weight: 4,50 kg
IP grade: IP 67
Fixing: any flat surface

Electrical features

Vac: 220 V   50/60 Hz
Power: 185 W
Consumption: 202 W

Lighting features

Lighting source: COB LED
Color temperature: from 2200°K to 5000°K
Flusso luminoso: 19984 lm (4000°K)
CRI: from 70 to 97
Optics: 25° - 37° - 70° - 100° - 150° - asymmetric
